

PARLIAMENTARY BUREAU

COMMITTEE REQUEST TO MEET AT THE SAME TIME AS THE PARLIAMENT

Introduction

1. The Parliamentary Bureau is invited to consider a request from the Net Zero, Energy and Transport Committee to meet at the same time as Parliament on the afternoon of Thursday 27 April.

Background to Request

2. The Net Zero, Energy and Transport Committee is conducting an inquiry into Scotland's electricity infrastructure and has secured an agreement with Andrew Bowie MP, UK Minister for Nuclear and Networks, to give evidence between 2.00pm and 3.30pm on Thursday 27 April.
3. The clerks attempted to find a time slot of this evidence that did not coincide with the Chamber sitting, but no other options were offered by the Minister.

Decision

4. Business Managers are therefore invited to consider the Net Zero, Energy and Transport Committee request and to recommend to the Parliament that the Committee be given permission to meet at the same time as the Chamber between 2.00pm and 3.30pm on Thursday 27 April.
